Initiative 19/Ballot Measure 58

BILL BRADBURY
SECRETARY OF THE STATE

“Prohibits Teaching Public School Student In Language Other Than English For More Than Two Years”

Estimate of Financial Impact:

This measure will require additional local school spending between \$203 million and \$253 million in each of the first two school years. The cost may change in later years, depending upon the number of non-English speaking students in public schools, and their academic performance over time.

The measure does not affect the amount of funds collected for state government, schools, or local governments.

Certification:

We, the undersigned, hereby certify that, pursuant to ORS 250.125 (1), we have prepared the statement described under “Estimate of Financial Impact.”
