November 4, 2008 General Election

BILL BRADBURY
SECRETARY OF THE STATE

Initiative 41/Ballot Measure 62

"Amends Constitution: Allocates 15% Of Lottery Proceeds To Public Safety Fund For Crime Prevention, Investigation, Prosecution"

Estimate of Financial Impact:

It is estimated that the measure would require public safety spending of \$100 million out of state lottery revenues in the first year, \$106 million in the second year, \$113 million in the third year, and \$120 million in the fourth year. Spending from that fund would be evenly split between state and local public safety expenditures.

The new required spending of lottery revenues for the public safety fund would reduce lottery funds available to spend for education and for state and local economic development.

Certification:

We, the undersigned, hereby certify that, pursuant to ORS 250.125 (1), we have prepared the statement described under "Estimate of Financial Impact."
